Product data sheet for uvex phynomic airLite C ESD

The uvex phynomic airLite C ESD is the lightest safety glove in its class and offers a noticeable difference in wearer comfort. The new cut protection glove combines high sensitivity and tactile feel with lightness and breathability, all in one glove. This makes the uvex phynomic airLite C ESD perfect for precision work and handling very small or fine components — and you can still use almost all screens, tablets and mobile phones when you are wearing them.
