

**Product Datasheet**  
**Model 9920 uvex vimox visor UV protection filter**

**UVEX ARBEITSSCHUTZ GMBH, Würzburger Str. 181-189,  
D-90766 Fürth**

**Product characteristics**

- Universal visor, fits a wide variety of uvex helmets and helmets from market competitors
- Unique carrying system that adapts perfectly to a wide variety of helmets
- A non-slip and durable rubber band reliably ensures the hold on any helmet and a soft sealing lip closes on the helmet brim
- Visor can be detached from the carrying system at any time in the release position (in 3<sup>rd</sup> or 4<sup>th</sup> rest position) with a pulling movement and reattached with a click
- Extra-large visor made of polycarbonate offers maximum all-round vision
- uvex supravision excellence coating: scratch-resistant on the outside and anti-fog on the inside with UV 400 protection
- Very easy lens replacement at any time
- Euroslot remains free for hearing protection capsules

**Compatible uvex helmets**
